ADUERTIZING

Dedication

This year our school is celebrating its tenth birthday. Such an anniversary marks a milestone in the life of Corpus Christi High School. Our graduates now number in the hundreds and they are to be found in many of the professional and industrial occupations of this decade. These graduates are the biography of Corpus Christi.

While we are very proud of the many accomplishments of the students of these first years, we look with quiet confidence and growing hope to the graduates of 1963. It is to you that we dedicate this **yearbook** — the anniversary **yearbook.**

We encourage you to continue the good spirit and generous charity which have been the hallmarks of our school through its first ten years. At Corpus Christi you have endeavoured to master the academic subjects; thus to provide a way of measuring your progress.

Let the success which these studies will eventually bring you be gently coloured with the glow of charity which you will have carried away from these halls and classrooms.

This is the challenge which our motto "Caritas" has offered to each graduating class. We now pass it on to you in 1963, that it may grow and influence your actions in your adult world. May this result in a fuller life and a more glorious eternity and for those who have preceded you at Corpus Christi.

MOST REV. JOHN C. CODY, D.D.

Bishop of London, Ontario

ANNIVERSARY MESSAGE

The strength of character, the quality of scholarship, and the dynamic spirituality, required to meet the inevitable challenge of life today, lead me on this your Tenth Anniversary to urge you to ponder anew the value of time as set forth by Cardinal Manning:

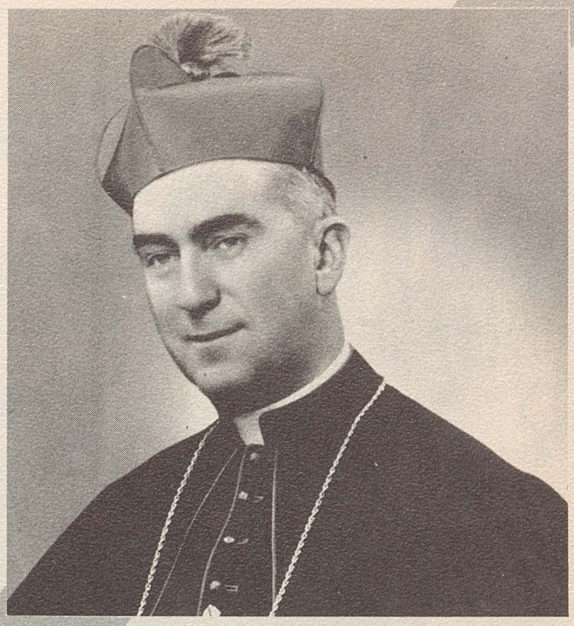
"Next to grace, time is the most precious gift of God. Yet how much of both we waste. We say that time does many things. It teaches us many lessons, weans us from any follies, strengthens us in good resolves, and heals many wounds. And yet it does none of these things. Time does both. But time is the condition of all things which God does in time. Time is full of eternity. As we use it so shall we be. Every day has its opportunities, every hour its offer of grace."

There is good reason to congratulate Corpus Christi High School upon its record to date. Through God's choicest blessings and your earnest co-operation, may there be even more reason to do so in years to come!

Devotedly yours in Christ,

John C Cody

Bishop of London



MOST REV. G. EMMETT CARTER, D.D.

Auxiliary Bishop of London, Ontario

The motto of your school is a single word, "Caritas". How fitting for students who have come together to pursue their education under the name of Corpus Christi. The Body of Christ in the Church has all sorts of meanings, but above all it signifies the great union of love without which we could not unite all of us one to the other.

The recurring theme through the first session of the present Ecumenical Council was our duty to love one another. Our duty to our fellow Catholics, fellow Christians. People with whom we have the most intimate bonds in our living and also in our supernatural life because they too have the fullness of life of Christ.

But we have a duty to those outside the Church, even to those for whom the name of Christ is unknown or perhaps even a symbol of hatred or irreverence. More than ever before all Christians are realizing their individual responsibility, somthing which cannot simply be turned over to someone else. You, the students of Corpus Christi, cannot fail to accept the challenge presented to you by the name of your school and your motto. You have to learn to live a true life of service which will be bound up with the life of Christ expressed in His love, in your own existence and in your contacts with all those whom you will meet along your road.

I send you a very special blessing for your Tenth Anniversary.

Devotedly in Our Lord

G. Emmett Carter

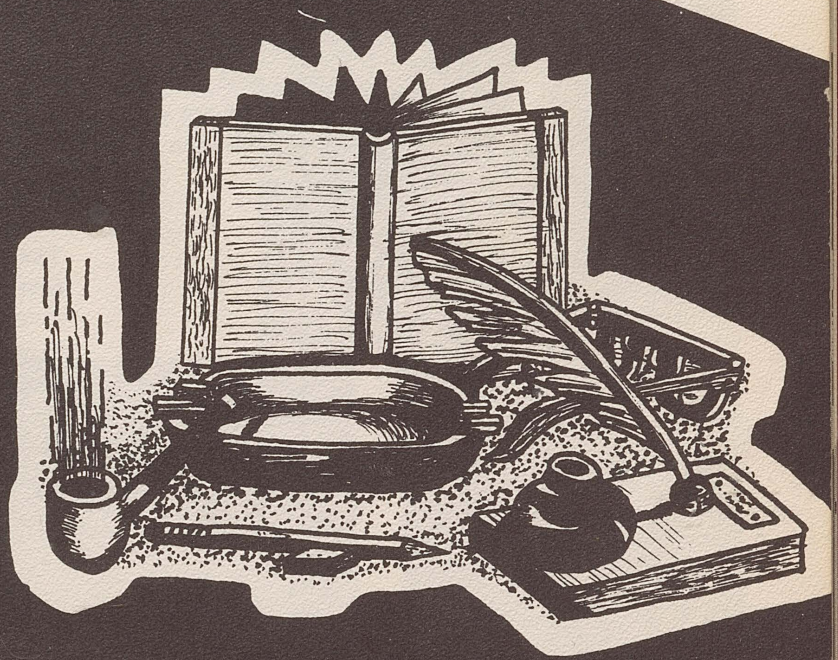
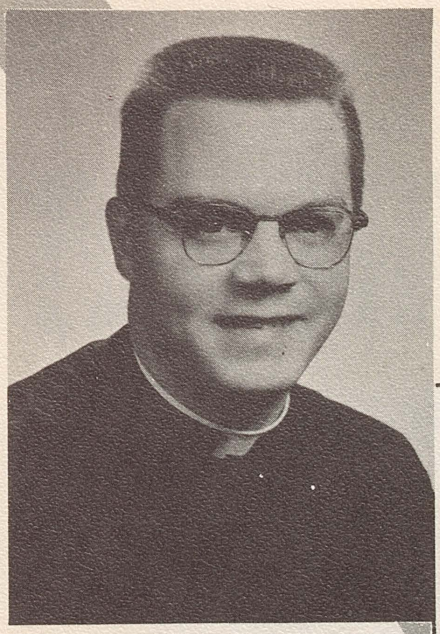
FACULTY





REV. A. P. JANSEN

A Message From Our Chaplain

"Let us thank God that He makes us live among the present problems . . . . it is no longer permitted to anyone to be mediocre." These words of Pope Pius XI can and must be a challenge to all students.

As life, education is an art, and like any art requires discipline and cultivation. The discipline which is required is one of mind, of heart and body. The disciplined mind will grasp the truth, the disciplined heart will live the truth and the disciplined body will possess true strength.

The degree of perfection, whether it be of mind, heart or body, will depend on the degree of effort made to attain it.

In this tenth anniversary year of Corpus Christi, all of its 1500 graduates can truly say that the ideal and goal of perfection and excellence has been kept constantly before their eyes.

And now we pray that the future of all its students, past, present and to come, may be as bright as that of Corpus Christi, who believes that the half-measure, the shoddy and the mediocre are not the goals of the Corpus Christian, but that nothing less than perfection is.

"Grow old along with me!
The best is yet to be,
The last of life, for which the
first was made:
Our times are in His hand
Who saith' A whole I planned,
Youth shows but half; trust God:
see all, nor be afraid!"

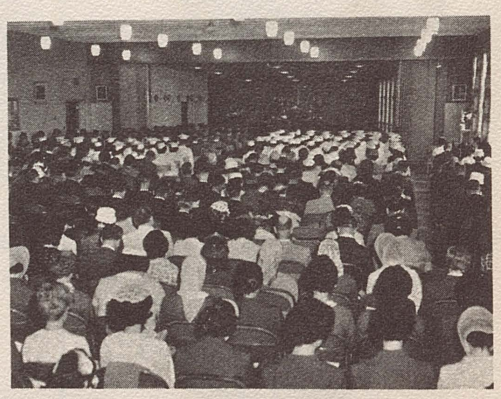
Robert Browning

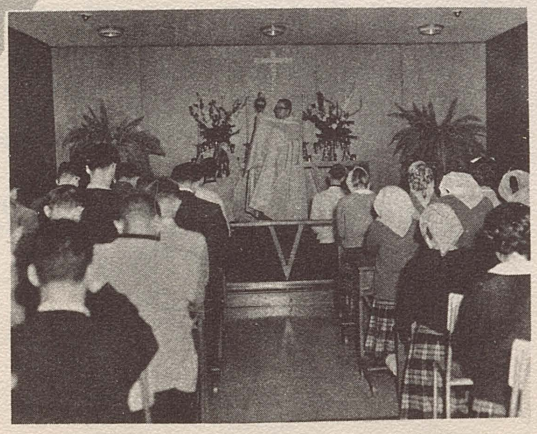
A. P. Jansen

Most Reverend Sebastian Baggio, Sir Richard Keeley, Most Reverend G. Emmet Carter, Most Reverend J. C. Cody.

Visit of the Apostolic Delegate the Most Reverend Sebastiano Baggio May 2, 1962

Our Chapel - Spiritual Powerhouse





MOTHER M. GERALD

From The Principal's Office

Dear Graduates:

Our wish for you to-day and every day is that you may be truly happy. This you will surely be if you know and strive to attain your true purpose in life. You must know why God put you here on earth and what He expects of you. You must develop your character so that you have the will power to do what you know is right. We have tried to help you in this development but the main job is in your hands. You must have a set purpose in life or you will be travelling in circles, getting more and more confused. You have to prove that you love God more than you love yourselves. You must know His commandments and have the will power to keep them. All this is what is meant by a complete education. It is an education in which home and school and church have all united to help you but which must come most of all from the personal effort that you as an individual put into it.

No one can promise you fame or wealth or beauty. No one can give you an absolute guarantee of material success. But there is a sure formula for peace of mind by which you will know that you are on the way to achieving eternal success in the sight of God which is the only success that really counts. "Do what you are supposed to do each moment to the best of your ability." It is as simple as that.

Long ago a wise old man, St. Augustine, wrote:

"My friends, seek what you seek, but it is not where you seek it. Your hearts have been made for God, and they will be restless until they rest in Him."

Sursum Corda

God Bless you all

Mother Gerald.

F.C.S.

The Young Christian Students' Movement is diocesan, with headquarters for the boys at 2004 Olive Road, Windsor, and an office for the girls at Glengarda Academy.

This Catholic Action group works quietly among the students in both school and parish centers, thus fulfilling the wishes of the Church by striving to make the student milieu more Christlike.

In September 1962, one of our diocesan workers, a graduate of Corpus Christi, Ray Robinet went to Edmonton to start Y.C.S. groups in that city. We have many Y.C.S. students in Corpus Christi from different parishes of our district, and we welcome their kind and generous support of our local groups.

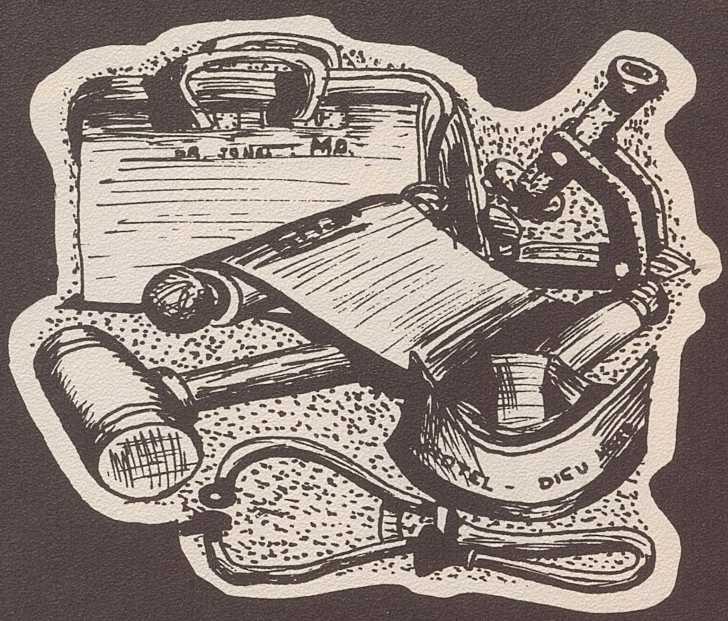
ALUMNI



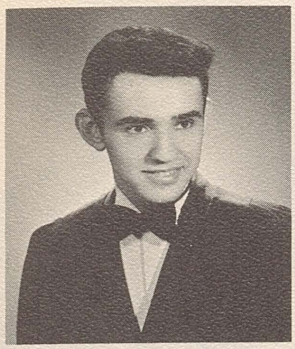
THE ALUMNI OF CORPUS CHRISTI

In this tenth anniversary year, Corpus Christi pauses to look back at the more than 1500 students who have attended the school since its beginning, and are now making their contribution to professional, business and family life. Among former students we find at least

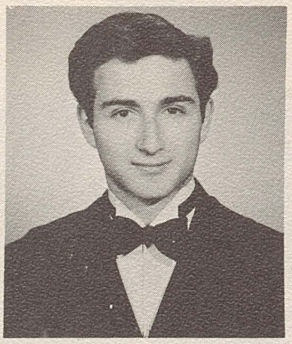
220 TEACHERS
208 NURSES
20 NUNS
16 SEMINARIANS

and many others who are working in business and industry. We find that at least 40% of our graduates have gone on to university after leaving us. We are proud of the many fine young families being raised by former Corpus Christians. In not a few cases, both parents in the family are alumni of our school. Our alumni are daily remembered in our school prayers. May they continue to make their influence for good felt in their particular sphere, and may we all be reunited at the eternal alumni meeting of heaven.

PRESIDENTS OF THE STUDENT COUNCIL
1953-1963



Armand Poulin
1953 - 1954



Dennis Peters

EDUCATION

preparation for the work of life

Ford of Canada encourages young people in their search for education. Over the past 8 years, 51 university scholarships have been awarded to the sons and daughters of employees. The young men and women chosen may select any approved college or university in Canada. Ford of Canada also helps support a number of youth programs. Teaching aids and educational motion pictures are made available to Canadian schools. In addition, Ford of Canada Dealers in many communities participate in High School driver education projects. We are proud to be associated with many educational activities, because we believe that a sound education is the best preparation for the challenges and opportunities of the future.

On Their Merit

Young men attending the Canadian Services Colleges and Canadian universities under the tri-service Regular Officer Training Plan (ROTP) train for challenging and rewarding careers as officers in Canada's Armed Forces. High school graduates of Senior Matriculation or Junior Matriculation standing qualify for entrance on a competitive basis. These young men are selected and will advance on one basis alone—ON THEIR MERIT.

For information regarding tuition, board, lodging, uniforms, books, instruments, medical and dental care, and salary, consult the Navy, Army or Air Force Recruiting Office in your area, or write to the Director ROTP, Department of National Defence, Ottawa 4, Ontario.

Any idea what this solution is used for?

Two "salts" and some sulphuric acid. This solution was used to help develop ways of making Chrysler-built automobiles stand up better to conditions found on streets and roads at different times of the year. (One of the worst enemies a car has is the salt put down to melt snow.)

After three years of driving cars right through this salt-and-acid solution (and also splashing them with it), Chrysler of Canada found that its new system of protecting cars against corrosion provided more than three times longer structural life.

This was only one part of the program to make cars resist rust and corrosion better. If you go looking at new 1963 cars with your family, ask the dealer who sells a Chrysler of Canada car to point out all the improvements this program has made possible.

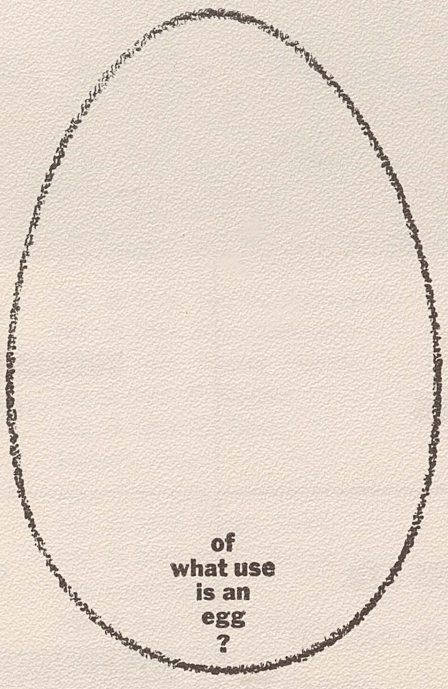
FIRST IN DRY CLEANING



Depends on what you do with it! It could become a prize rooster, get top billing in a fricassee—or end up as a splatter on the floor. The possibilities are unlimited—the egg is just a start. Like university. You discover as you go along the endless possibilities an advanced education can bring. But you have to make a start—and not everyone can afford that. That's why the General Motors companies in Canada award 25 scholarships each year ranging in value up to $2,000 to help deserving students. More than 200 scholarships have been awarded since this programme began in 1955. Grants, too, are given to the universities themselves. Students can choose from any of 14 participating universities, pick the faculty they like, prepare in their own way to take their place in Canada's future. Life isn't always served sunny side up —but the GM scholarship plan can help.

Applications for General Motors Scholarship should be directed to the Registrars of the following participating universities: The University of Toronto; The University of Western Ontario, London; Queen's University, Kingston; The University of Montreal; The University of Manitoba, Winnipeg; The University of British Columbia, Vancouver; The University of Saskatchewan, Saskatoon; The University of Alberta, Edmonton; The University of New Brunswick, Fredericton; Laval University, Quebec City; McGill University, Montreal; Memorial University, St. John's, Newfoundland; Dalhousie University, Halifax; and McMaster University, Hamilton.
